

We hope you enjoyed your **First Shots Seminar!**

The fun doesn't have to end here!!

Did you know there are action pistol sports that are enjoyed right here in your community?

www.libertyidpa.com

IDPA Matches: The International Defensive Pistol Association (IDPA) is the governing body of a shooting sport that simulates self-defense scenarios and real life encounters. The organization now boasts membership of more than 13,500, including members in 36 foreign countries. One of the unique facets of this sport is that it is geared toward the new or average shooter, yet is fun, challenging and rewarding for the experienced shooter. The founders developed the sport so that practical gear and practical guns may be used competitively. An interested person can spend a minimal amount on equipment and still be competitive.

Pin Shooting: Bowling has never been this fun! Race head to head in an elimination style match to clear the table of pins. If you are the type that likes their sports "high speed and low drag" this is the sport for you. Whether you are shooting pins with the larger "centerfire" calibers or knocking down pin tops with the smaller "rimfire" guns, you will enjoy every minute as you improve your gun handling skills.

The primary mission of the **Liberty Firearms Association** is to promote the goals of the IDPA at the local level. We are focused on shooters interested in honing their defensive shooting skills in a practical, competitive environment. We welcome shooters from all over the area. We are an IDPA affiliated club and operate the club according to the guidelines set forth by IDPA.

New shooters are welcome.
